OrthoNeuro

Your Multi-Specialty Center
of Excellence

Founded more than 65 years ago, OrthoNeuro was the first private group in Central Ohio to provide a multi-disciplinary center of board-certified physicians specializing in orthopedic surgery, neurology, neurosurgery, and physical medicine and rehabilitation.

OrthoNeuro established the area's first multi-specialty sports medicine center, Sport**Med**; as well as Spine**Med** for the complete treatment of spine and back disorders, and Work**Med** for the management and treatment of work-related injuries.

OrthoNeuro provides a full spectrum of care from initial consultation, acute injury care, surgery, to rehabilitation.
